LEADERSHIP

ASSISTING CLERGY SEARCH COMMITTEE

Committee members: Tom Laws, Sarah Stransky, Susan Andersen, Chelle Carter-Wilson, Amy Lui Abel, Theresa McDonnell, Matthew Price, and Pam Smith

One of the many blessings that comes from being part of an growing, thriving church is the ability to add a new clergy member. The Assisting Clergy Search Committee developed a wishlist of roles and responsibilities for an additional clergy person, including key areas of focus such as education, community representation, spiritual growth, energy, and flexibility. After a somewhat lengthy search, several candidates were considered and interviewed.

We were blessed in the fruits of our labors with our new Associate Rector, Tristan Shin.

Tristan started out in a part-time role and transitioned to full-time on May 1st. He is living in the Rectory and already making his cheerful, kind, and wise presence felt among the parishioners, staff, and volunteers. We look forward to the many ways he will continue to grow in his role and impact our church community in the coming years.

DIRECTOR OF MUSIC SEARCH COMMITTEE

Committee members: Patrick Rodriguez, Ken Dalton, Stephanie Borsi, Stevie Tryson, Gordon Frey, Gina Balestracci, Martin Cowart, Tim Mannion, Ladylease White, Mariah Ayscue, and Denise Price

After the unexpected departure of our Director of Music, a search committee was formed to fill the important all-in-one role of Music Director, Organist, and Choir Director.

As an integral part of the St. Luke's worship experience, finding the right candidate was crucial. After an expansive search, we were thrilled to offer the position to Ronald Baltimore. The impact of Ron's experience and knowledge has already been felt during Sunday worship. He leads us all well in making a joyful noise unto the Lord and we are blessed to have him with us.

SERVICE: DEI COMMITTEE

Committee Members: Kayode Oyegbite, Stella Alale-Oyegbite, Nesta Stephens, Susan Andersen, Jill Eden, Dyan Bryson, Tim Mannion, Sudhir Frederick, Andrew Alford, Sue Singer, Larysa Cohen

The DEI Committee seeks to foster values and actions serving positive connections among people from diverse groups in the St. Luke's congregation and the wider community. The committee also seeks to include multiple voices in St. Luke's decision-making processes and activities.

During the ministry formation stage in the last several months, we have identified relevant training programs offered by external sources. To that end, we are in early stage development of presentations at St. Luke's adult forums, with the goal of later casting the net more widely within Montclair and its environs. Among the programs under review are interactive sessions offered by such sources as the New Jersey Division on Civil Rights and Diocesan-facilitated workshops on topics such as implicit bias, microaggressions, and safe spaces.

Also under discussion is the return/reinvention of Serving Christ Dinners, through which the congregation would be invited to participate in randomly selected small groups whose members would meet on a rotating basis at one another's homes for potluck picnics or dinners. The goal (apart from having fun) is to facilitate social interaction among individuals from diverse groups without a self-conscious focus on identity.

OUTREACH: TONI'S KITCHEN

TONI'S KITCHEN 2022 ANNUAL REPORT

LETTER FROM THE DIRECTOR

For Toni's Kitchen, 2022 was a year of harnessing the innovations and lessons of the pandemic and putting them to work to truly END food insecurity. As the pandemic tested us, we learned that even in the midst of tough times, solutions are possible. Volunteers launched new neighborhood mobile markets, built a food truck program and visited with seniors as they delivered groceries to their home.

The pandemic lifted the veil on the breadth of food insecurity in the suburbs. The number of neighbors unable to weather even those first few weeks of the shutdown was shocking. As the impacts rippled and inflation set in, needs for some populations increased. We learned that a **robust and lasting solution** is needed, one that will **expand and contract** as the economic environment around low-income families and seniors changes.

Looking ahead, we are focused on **solutions**. We are taking the lessons of the last few years to heart and **setting a target of living in a FOOD SECURE community within the next 3-5 years**.

What does a fully food secure community look like? We know the structural issues that give rise to food insecurity will persist - inflation, high housing costs, medical bills. But imagine a community where healthy food is embedded in the daily gathering spaces of our struggling neighbors. Imagine as well that these are supplemented with targeted programs that cover all the pockets and varieties of food insecurity and ensure there is an easy, accessible, appropriate connection readily available.

If you can embrace this vision and want to help realize it - join us!! Donate funds and volunteer your time and talents. Let's build a fully food secure community and enjoy the health and stability that will accompany it!

Anne Mernin Executive Director, Toni's Kitchen

GROWTH FOR GOOD CAPITAL CAMPAIGN

In 2022, Toni's Kitchen embarked on a campaign to raise \$1 million to make space available to support our food initiatives going forward. Thank you to everyone who stepped up to make this project a success.

We will soon have 5000+ square feet of space available to ensure everyone in our community has reliable access to healthy food. We are excited to see new walk-in refrigeration being installed and workspace for our growing grocery programs. We especially look forward to our soup kitchen program moving back into the dining room. We can't wait!

ONE SIMPLE VISION: RELIABLE ACCESS TO HEALTHY FOOD FOR ALL

2022 was a year of innovation and rebuilding. As inflation caused food prices to soar and continued to challenge family budgets, Toni's Kitchen took the lessons of the pandemic and created some stability for struggling neighbors.

OUR APPROACH: LEVERAGE OUR FULL COMMUNITY

\bigcap

FIRST WE WORK THROUGH OUR PARTNERS

Toni's Kitchen embeds healthy food in *over 60* community partnership programs that help low-income neighbors become resilient and healthy - tutoring, mentoring, English language classes, schools, summer camps and social groups for older adults.

02

THEN WE TAKE IT ON THE ROAD

- NEIGHBORHOOD MARKETS Weekly farmers market-type spaces in low income neighborhoods and gathering spots serve over 250 families.
- FOOD TRUCK Cooked-to-order meals provide over 500 meals a
 week and are a popular option for our unhoused neighbors and
 those with limited cooking facilities.
- HOME DELIVERIES for over 200 older adults and 80 families ensure disabilities or transportation are not obstacles

03

AND, OF COURSE, WE OPEN OUR DOORS

- CHOICE PANTRY Over 1500 neighbors use our pantry to select groceries, toiletries and clothing. Guests also enroll in SNAP and learn about other important health and housing resources.
- SOUP KITCHEN-Our heart and soul. 50-65 guests who are unhoused, or in unstable housing find a warm place to gather for a meal and connect with other important services. In the colder months, a WARMING CENTER provides an afternoon gathering space.
- TONI'S CLOSET In addition to our regular free clothing distributions, nothing replaces the dignity of shopping for one's own needs.

"Toni's Kitchen helped me out a lot. I have a part-time job at UPS and it is just enough to cover my rent, not enough for food. Toni's Kitchen helps me, and my mother who lives with me, to eat well."

Sandra

"I appreciate that Toni's Kitchen welcomes everyone and doesn't discriminate...including speaking to many of us in Spanish. I come and select groceries and my daughter uses them to cook." Robert

"Most importantly, those that work at the pantry, the meal service, the warming center and the Closet are very nice people, who show true concern." Mike

2022 LAYING THE FOUNDATION FOR FOOD SECURITY

OVER 2000 VOLUNTEERS from 16 towns, 8 high schools, 42 faith communities, 6 special needs programs, and aged 5 - 94 energized our work.

TONI'S CLOSET COMPLETES ITS FIRST YEAR ON SITE with regular free clothing distributions at our Choice Pantry, and over 31,000 items repurposed through Toni's Closet sales, raising \$157,000 to support our work.

TONI'S HIRES OUR FIRST SOCIAL WORKER to connect the 1500 families who use our Pantry with other needed services.

CONSTRUCTION OF NEW SPACE BEGINS to add 5000+ square feet of food packing, sorting and refrigeration space to build a food secure community.

FOOD TRUCK LAUNCHED AT JAZZ FESTIVAL: This outreach to those without housing or cooking facilities makes 3 trips a week providing 500+ meals.

DIABETES PROGRAM PARTNERSHIP WITH SUMMIT HEALTH AND COMMUNITY FOOD BANK: Helps 38 guests with diabetes management through nutrition education, special food boxes and blood glucose tests.

TOWN WIDE FOOD DRIVES: Brought in almost 19,000 pounds of food thanks to 42 drivers and 170 volunteers

NEIGHBORHOOD MOBILE MARKETS: Weekly 'shopping' experiences in 3 low-income neighborhoods help an average of 250 families each week plus 2 special summer markets help when school is out.

In 2022, our donors and volunteers stepped up to the challenge. We provided more meals than ever before. New partnerships and programs energized our work, and it all came together because of you! Thank you!!

The Capital Projects Committee has been meeting regularly during this past year, in order to provide direction and support for the multiple building and facilities projects either underway or planned to take place. The most visible project to date is the interior and exterior buildout / renovation of the church undercroft. This \$1 million + project was undertaken so that Toni's Kitchen could accommodate the tremendous growth of our food ministry with a goal of ending food insecurity within our service area. This project is essentially completed. In the upcoming year, the Committee will begin to work on other projects, most notably the parking lot, oil tank remediation, and others.

SUPPORT: FAMILY MINISTRIES

Kathy DeWalt, *Director* (dewalt@slechurch.org)

We were able to restart our children and youth programming with a full calendar of activities this year. An active contingent of teachers have welcomed our kids in three different age groups: Godly Play (grades PK-1st); Exploring the Good News (2nd to 5th); and Rite 13 (6th to 8th). Classes have been meeting each Sunday and we have welcomed an increasing number of newcomers.

The Celebrate! Service has welcomed a dozen new families, many of whom have become regulars and others who have found a home at the 10:00am service. The Nursery (held during the 10:00am service) now regularly hosts 3-4 children.

We continue to reach out to the community by inviting others to join us at Breakfast with Santa and the Easter Bunny BBQ. This year we had over 200 people at the Easter Bunny BBQ.

Our most far-reaching outreach takes place at the Pumpkin Patch. This year we hosted six different school groups and had craft activities each Saturday afternoon. We celebrated our best year ever–selling over \$18,000 of pumpkins with a profit of \$6,071!--and the largest benefit was in the connection with our community.

Pastor Tristan and I are currently working with four local community churches (Union Congregational, Glen Ridge Congregational, First Lutheran, and Central Presbyterian) to create an ecumenical youth group with youth members from all five congregations. It will have both junior and senior high groups with leadership, service, and faith components. The group is currently working on a job description for a Youth Group Leader and we will keep you posted as the group moves forward together.

This summer we will once again have our Sunday Morning Old Testament Lego Festival. Each Sunday, we will work together to recreate the story of the week.

Cross Roads Day Camp will be at St. Luke's August 6-11. This action-packed week includes crafts, songs, worship, and so much more. Last year we had 14 children and 4 youths who participated in our leadership component. Registration has already begun for this summer, and you will find forms on the bulletin board.

New this summer, we will be offering a Middle School Service Camp from July 17-21. We will work with Toni's Kitchen and learn some hands-on building skills to help others. The week will end with a chance to look at problems beyond our neighborhood during a day of service in Asbury Park.

WORSHIP: ALTAR GUILD

Martha Thalheimer (altarguild@slechurch.org)

The Altar Guild is responsible for preparing the sanctuary for services and cleaning up after the services. In addition, we keep the silver and brass polished, candle oil filled, linens laundered, and albs washed for John, Tristan, and the other servers. Due to Covid, these responsibilities had been on hold for almost two years.

The Guild is slowly starting to re-form after the long period of inactivity. If you would like to join us, the time commitment is about a half hour every four weeks. The jobs are primarily on Sundays:

- * Before the 8:00am service to put out the sacraments
- ❖ After the 8:00am service to clean up and reset for the 9am and 10 am services
- ❖ After the 10 am service to clean up and put everything away.

Please speak with any member to get additional details. We would love to have you become part of the group. Thank you to Juliet Robinson, Susan Singer, Denise Price, Stevie Tryson, Godfrey Gregg, Felisa Van Liew, Kathleen Kellaigh, Tim Mannion, and Godfrey Gregg for their help over the past year. If I missed someone, I apologize.

WORSHIP: LECTORS AND INTERCESSORS

Martha Thalheimer (lectors@slechurch.org)

Lectors are those who read the Holy Scriptures during the Liturgy of the Word at the beginning of the service. Intercessors lead the congregation in offering the Prayers of the People.

Our services have moved to a hybrid situation which allows people to read in person or wherever they have an internet connection. This allows everyone to participate from wherever they are most comfortable.

If you would like to serve as a Lector or Intercessor, please contact Martha Thalheimer at thalheimer@slechurch.org or The Rev. John Mennell at mennell@slechurch.org for more information.

We are blessed with many voices willing to read on an ongoing basis and would like to thank the following people for participating this past year.

MUSIC: SENIOR CHOIR

Ronald Baltimore (baltimore@slechurch.org)

The senior choir has been back singing for some time now, and we are very happy to be making music in church again! While the choir was on hiatus due to diocesan Covid regulations, we were able to have music provided by a rotation of our section leaders—Warren Carr, Becky Polynice, Kelly Wenz, and Michael Willis—to whom we are very thankful for their willingness to continue singing by themselves.

We are grateful to have Kelly Wenz as the newly-appointed Junior Choir director and the members of the Junior Choir have sung with the Senior Choir on certain occasions (see report below). Although we had to deal with Covid-19, the choir was able to sing for the annual Lessons and Carols service during Advent as well as have a full choir for Easter Sunday.

As always, anyone who is thinking of joining the choir is ALWAYS welcome to come. Rehearsals are held from 7:30 to 9:00pm Wednesdays in the 3rd Floor Choir Room. Give it a try!

The Senior Choir consists of the following singers:

Mariah Ayscue	Gina Balestracci	Warren Carr *	Gordon Frey
Charlene Dalton	Stephanie Borsi	Ken Dalton	Timothy Mannion
Betsy Ginsburg	Kelly Wenz *	Jaewoo Lee	Michael Willis *

MUSIC: JUNIOR CHOIR

Kelly Wenz (wenz@slechurch.org)

Although small in numbers, the St. Luke's Junior Choir is mighty in spirit! Currently, the regular attendance is sporadic on Sundays due to illness and a variety of personal, academic, and extra-curricular obligations. On the Sundays in which the children sing with the Senior Choir, we average around seven members. Attendance was significantly higher during the Christmas and Easter season.

Due to the fact that most members are quite young, the aim is to integrate these young musicians into the Senior Choir, and teach them to be part of all aspects of the worship service. In choir rehearsals, we complete exercises in pitch matching, note identification, key terminology, interval training, rhythmic dictation, blending exercises, and early score analysis. We also review upcoming hymns, service music, how to process, recess, portions of the anthem (if applicable), and appropriate behavior for active participation in contemplative worship.

Next season, the aim is to offer 1-2 rehearsals weekly, depending on season and availability of members. It is evident that the children's availability fluctuates significantly throughout the academic year. Additionally, we hope to see a second annual Christmas caroling event, feature older musicians more heavily during the annual Christmas Pageant, and add an informal outdoor concert of sacred music in the Spring (weather permitting) to further showcase our aspiring musicians. We will continue to invest resources to lay a strong foundation for a sustainable program which will in turn produce future Parish members and Senior Choir members.

SUPPORT: GRACEFUL GROUNDS MINISTRY

Sarah Stransky (stransky@slechurch.org)

Many thanks to Patt Sullivan-Perry, Mike Alberga, Hal Garrity, Sarah Eggleston, Nancy Alberga, Ari Measday, Robin Vittulo, Julia Ginocchio and (tree climber) Stuart Christie for knee bending in the fall on the bricks with bulbs and spring editing the beds with ever blooming vinca. The beds did suffer with last summer's drought and difficulty of watering. But we are blessed with the perennial sedum requiring little drink. In April, we enjoyed Prosecco on the Patio to celebrate our happy bloomin' beds of smiling tulips and each other!!

Come bend a knee with us and enjoy the wonderful community of the Graceful Grounders!! Email Sarah Stransky to join us!!

SUPPORT: HOME TEAM COOKS FOR TONI'S KITCHEN

Susan Andersen (andersen@slechurch.org)

Once a month – usually first Sunday of the month – a group of adults (age 18 and up) gather for a cooking shift to prepare food that will be provided as part of the healthy meals that go out to Toni's Kitchen clients and guests during the week. We meet after the 10:00am service to make an appetizer, salad, snacks, and/or dessert. The shift runs from 11:30am – 1:30pm. Preparation for the shift starts during the week ahead through brainstorming what recipes to make, coordinating with Toni's Kitchen staff on what ingredients are needed, and corralling volunteers. No prior cooking experience is required! Just an open heart and a willingness to pitch in and have fun. Each shift numbers about 6-8 people and everyone is given something to do. New team members are welcome any time. This is a great way to get to know your fellow parishioners in a low-key environment and also to find out more about Toni's Kitchen.

WORSHIP: USHERS

Sudhir Frederick (ushers@slechurch.org)

For everyone who asks receives; he who seeks finds; and to him who knocks, the door will be opened. - Luke 11:10

Contribute to the needs of the saints and seek to show hospitality. - Romans 12:13

Ushering at any church is important. Ushers are the first people churchgoers encounter when they enter a church. At St. Luke's, we welcome our members as well as visitors, and make everyone feel comfortable here. The mission of the Ushering Committee is four parts, as follows:

- 1) To welcome and greet each person entering our church.
- 2) To be a positive representative of our church for our members and visitors.
- 3) To be courteous, kind, friendly, and helpful to all who attend our church services.
- 4) To answer questions about how the service is conducted, and to direct people to our Sunday School rooms and restrooms, as needed.
- 5) To provide support and assistance to people during communion and pre and post church service.

We went through a phase where we adapted to the fewer members attending in person and supported the ministry with a single person. As attendance increased, we have been supporting Sunday services with two ushers and we have four Ushers for special services such as Palm Sunday, Easter, and Christmas.

The skills needed for this Ministry are people skills, a positive attitude, an understanding of the duties of an Usher, as well as a willingness to help our members and guests. We would love to have you join our wonderful team.

I am most thankful and appreciative of the following dedicated individuals who do a wonderful job of ushering each Sunday:

Susan Andersen	Jean Innis	Patt Sullivan-Perry		
Sudhir Frederick	Laurette Mercer	Robin Vitullo		
Shahri Griffin	Shevon Nelson	Allen Wastler		

*I'd also like to offer a special thanks to John Morey, who—while he isn't an officially scheduled usher—shows up each Sunday to help with the collection and Eucharist.

I would love to have more people volunteer to usher. In particular, we would love to have new members of the parish get involved in this ministry. It is a good way of meeting our congregation. For those who are considering becoming active at church, the Usher Ministry is a good way for you to get going as it will be at times when you are already at church.

WORSHIP: VIRTUAL VERGERS

Stevie Tryson (tryson@slechurch.org)

The team of Virtual Vergers, a ministry created in 2020 in response to the Covid pandemic, continued to refine our hybrid experience. We have been able to return to church in person, but the Zoom option remains available for those who are unable to join us in the church. We expect to continue providing an online option for worship indefinitely. If you need technical help with Zoom, please reach out to Stevie Tryson at tryson@slechurch.org.

During the services, the role of the Virtual Verger is to mute and unmute participants at appropriate times, provide responses where necessary, and to manage questions that arise during the service. A small team of seasoned Virtual vergers has emerged: Chelle Wilson, Martha Thalheimer, Denise Price, Amrita Frederick, Sudhir Frederick, Aileen Walter, and Shahri Griffin have faithfully served in this role over the past year. We welcome additions to this team! If you are interested in becoming a Virtual Verger, please email Stevie.
